# 3. Approval of April 1, 2025 minutes

Kraig Boynton motioned to approve the minutes from the April 1, 2025 meeting. Greg Cassidy seconded the motion. Motion carried, with the following corrections: Melissa Ohrwall (IDOT) attended the meeting in person, and Brad Siltman (GPMTD) and Lindsey Kerr (LifeLine Pilots), attended the meeting in person, not virtually.

## 4. Presentation by Pastor Chuck Brown from CJ Harvest

Pastor Chuck Brown presented the following: He and his wife Julia, who works at CWTC, started working on CJ Harvest when they recognized the south side of Peoria is a food desert, which means a mile or two away from fresh groceries, or 10 miles if in a rural area.

It turned out to be a much larger project than they expected, and he said that with competition from Wal-Mart, Kroger, and Aldi that residents have become dependent on, people have forgotten about the small-town grocer. They have budgeted for shrinkage, which was the downfall of the corporate grocers that left the area. He said that they will have plenty of security on hand. Pastor Brown stated that they have thought of senior and disabled customers by buying a car that can transport them to the store so they can get out of the house.

They want the store to be a friendly neighborhood meeting place, with a barbeque restaurant. The store will have a private label, and they have partnered with local farmers. He hopes to open in late September and provide residents with a healthier choice of foods to combat obesity and cancer.

## 5. Provider and Agency Updates

## Western Illinois Area Agency on Aging (WIAAA)

Katy Deadmond had nothing to report.

## Marshall County Board

Dave Leuders was excited to report their two minivans have arrived.

# Fulton County Rural Transit/Fulton County Resource Center (FCRT/FCRC)

Shelly Entrekin reported that they received a 14-passenger van and minivan.

#### Advocates for Access

Jodi Scott had nothing to report.

## Illinois Department of Transportation (IDOT)

Melissa Orhwall reported that there is a new tab for inventory in BlackCat, and if you see any discrepancies let her know. Be aware that a bus had the hydraulic cord cut when it was caught on the wheelchair lift. This could put your vehicle out of commission.

## Washington Township

Jim Bremner reported that the Washington senior taxi service has changed cab providers, now using TDK Events very successfully. The age has been lowered to 62, and a ride anywhere around Washington is \$3. Peoria or Morton rides are \$5. They gave 180 rides last month, 223 this month.

#### Pekin Park District

Alisha Dault reported that they received two wheelchair vans, but one has died. They are working on getting an SUV. Pekin Farmers Market started this week.

#### EP!C

Dawn Harper reported they are having electrical issues with the vehicles they received, so have been using Enterprise for ambulatory vans, and it's working out well. The WOW disability fair at EP!C will happen again this year with CityLink on July 24.

# TCRC/We Care

Greg Cassidy had nothing to report for TCRC, but he introduced Alex Maxwell as the new director of We Care's transportation department. He said that the 50th anniversary celebration during the Morton Pumpkin Festival will include a spaghetti dinner and free rides.

## City of Galesburg

Kraig Boynton reported that they have received seven paratransit vehicles. Capacity is increasing, and they are now using a dispatch software. Their next project is to start working on Medicaid.

## Thrive Community Services

Joe Coffin reported they have received three new wheelchair lift vans that have issues with the lifts, and two used minivans.

## Special Education Association of Peoria County (SEAPCO)

Allison Borland had nothing to report, but she has been asked to be on the steering committee for the Bartonville ATP.

## Greater Peoria Mass Transit District (GPMTD)
