TRI-COUNTY REGIONAL PLANNING COMMISSION

EST. 1958

EXECUTIVE BOARD MEETING 456 Fulton St. Suite 401 Peoria, IL 61602

Don White, CHAIRMAN (Greg Menold, Russ Crawford, Rita Ali, Andrew Rand, Autum Jones, Chuck Nagel, John Kahl)

Monday, November 21, 2022 9:00 a.m.

AGENDA

1. Call to Order

Chairman Don White called the meeting to order at 9:00 AM

2. Roll Call

Present: Don White, Greg Menold, Rita Ali, Autum Jones, and Russ Crawford. Virtual: Andrew Rand. Absent: Chuck Nagel, and John Kahl. Staff: Eric Miller, Debbie Ulrich, Ray Lees, Reema Abi-Akar, and Michael Bruner

- 3. Public Input- none
- 4. Motion to approve October 17, 2022, minutes
 Rita Ali moved to approve October 17, 2022, minutes and Autum Jones seconded. Motion carried.
- 5. Executive Director report

Eric Miller reported on the following:

- Project Prioritization process
 - o Prospect Road, Pioneer Park, City of Peoria, and City of Pekin
- Passenger Rail received 2 grants
- Federal rail administration meeting
- Kickapoo Creek- Watershed
 - Reema Abi-Akar updated on the Section 319 grant. It is a 60/40 split. We will hire a consultant to do the work. The challenge is for the \$40,000 match.
 - Eric Miller said we may need to ask for assistance from TCRPC
 - Russ Crawford mentioned that Rock Glen should be happy for the 60/40 split. We should not contribute more than 20%
 - Rita Ali suggested Federal funding. State and local legislatures, Soil & Water Conservation, CAT, GPSD, City of Peoria
 - o The timeline is March 2023
 - o Don White agreed to try and get stakeholders
 - o Russ Crawford added we need to protect our funds

- 6. Discussion of Regional Prioritization process,
 - Lobbying/ partnership with local agencies
 - Eric Miller reported this is a repeatable expense to support projects completely. He said Mike Phelan suggested using lobbyists. May use local funds for lobbying.
 - o Don White is there a need for lobbyists. Some small areas are not fond of them.
 - Russ Crawford said why not use the politics and have them behind you on projects
 - Rita Ali said the City of Peoria has 2 lobbyists. There is a lot of value to give strength for priorities.
 - Autum Jones asked if we have engaged in any of the new representatives and Eric Miller said no.
 - o Greg Menold said this may be a necessary evil.
 - Andrew Rand generally agreed.
 - o Eric Miller asked how to get a lobbyist, will need to put out RFP?

7. Discussion of Brownfields Partnership with EDC

- Ray Lees explained this is to redevelop sites
- Eric Miller said this is not a government site. Need to seek multi-regional consultant for procurement process. Staff time to administer support
- Rita Ali asked who will manage grant. Eric Miler said TCRPC will help.
- Greg Menold asked for an example of project. Eric Miller said old, abandoned property.
 Mostly there are environmental issues. We would help for initializing the use of old property or land.
- Autum Jones asked if a site has been selected? Ray Lees replied to no. There is a site on EDC website of viable use of projects.
- Andrew Rand asked where will funds for testing be from? Ray Lees replied there are no funds needed for analysis process.
- Eric Miller suggested to have Chris Setti from EDC to next Executive Board meeting for further discussion. There hope is to start next year. There is no timeframe.
- Russ Crawford asked why EDC doesn't do the work? We need to make sure all funds are looked at. We need to make sure this is the best way to be done so to be beneficial for all involved.

8. Discussion of HUD Healthy Homes grant

- Local government agency to sign off on Environmental Review process
 - Michael Bruner discussed Peoria Heights application for HUD. HUD released a
 document for healthy homes. METEC has a \$2M grant and some will go to Peoria
 Heights. The need is to sign off environmental reviews. They asked us to help.
 There is a formal agreement to sign off for environmental process. We need to sign
 and send to HUD.
 - Eric Miller added this is a 3-year grant. It is to make sure METEC does it correctly.
 Will have resolution at next meeting.
 - Rita Ali asked how many hours this will consist of?

- Michael Bruner said this is a 2-tier process (1) satisfy rules and (2) 2 or 3 reviews for each property. Should take 1 hour per review.
- o Russ Crawford asked if we are overloading TCRPC
- o Don White asked how we at grading are these and Eric Miller said A+
- 9. Discussion of IMRF cost study Eric Miller said we started a cost study.
- 10. Other

11. Adjournment

Don White moved to adjourn at 10:00 Am and Autumn Jones seconded. Motion carried.

ISSUE: Promotion in Place for selected Commission employees

Discussion regarding promotions and salary increases for selected Commission employees

ACTION NEEDED BY EXECUTIVE BOARD:

• Make recommendation to Full Commission

Background:

In June of 2022, the Executive Committee discussed and the Full Commission acted on Cost-of-Living adjustments for all qualified staff members. After lengthy discussion regarding staff retention and unique economic conditions (inflation, work force shortage, issues attracting professional talent locally) the Commission increased the budget for salary items from 5% to 8%. I made the decision to award a 6% cost of living adjustment to all staff. This meant that 2% could be awarded later in the year for merit increases or promotions. The Commission also directed staff to perform a compensation study.

The Commission hired HRFIT to perform a compensation study to look at salaries and benefits at organizations comparable to TCRPC. The conclusion of the study states that our experienced planners (3-5Yrs) are behind their counterparts at other organizations and, our entry-level starting salaries are behind our competitors. While our fringe benefits(Employee Health insurance and PTO) were comparable to other organizations, our Retirement plan was not on par with many of the organizations who participate in the Illinois Municipal Retirement Fund (IMRF). This was an issue with the attraction of professional staff coming from other IMRF agencies to the Commission.

To immediately address the issue of compensation, the management team conducted mid-year reviews with all staff. The Commission has a promotion in place policy to recognize and reward employees for excellent work above and beyond the annual cost of living increase which the Commission has encouraged the Executive Director to implement and reward employees by promoting them and accordingly adjust their salary.

The Planning Program Manager and I have Performed mid-year reviews with staff for the purpose of developing a recommendation for employee promotions. After much discussion between the Accountant, Planning Program Manager, and myself, I recommend to you that you consider the following:

Action

Recommend to the Commission

The Promotion of:

Michael Bruner, Planner III to Senior Planner Reema Abi-Akar, Planner III to Senior Planner Britney West, GIS Specialist II to GIS Specialist III

All promotions would carry a corresponding salary adjustment. Other commission employees, not including the Executive Director and Planning Program Manager, will receive a 2% salary increase.

The overall salary increase to the Commission would be not greater than \$30,000 plus corresponding employment taxes and retirement increases. The FY 22 budget will allow for this proposed increase as outlined in the accountant's analysis which is attached. The preliminary FY 24 budget will also allow for the proposed increase in the salary line item as we have confirmed that IDOT will be increasing our PL grant by approximately 23%. All salary costs are reimbursable to the Commission on contracts that pay salary + fringe +overhead.

As for contracts that pay a fixed hourly amount, upon renewal, new hourly rates will be adjusted (if appropriate) to cover an increased personnel expense.

Remaining Budget for Wages, Fringe Benefits, and Indirect for FY23

Please reference the included spreadsheets for a more comprehensive picture of the budgets.

The remaining budget for wages between all our combined programs is just over \$313k.

The remaining wages budget for just our major programs, UPWP and HSTP is approximately \$242k. Both contracts expire (for wages) 06/30/2023.

The remaining wages budget for the SPR grant for ISI Asset Management Software is approximately \$33k. This contract expires 10/31/2023.

The remaining wages budget of \$38k - \$39k is for our local GIS and Planning commitments for GPSD, Logan, Tazewell, and Woodford Counties. These hours and billable wages are subject to available work, the budget is based on an estimate.

No new contracts were used in the calculation.

At current pay rates, with current staffing levels (not including F. Lewis), billable wages are expected to be approximately \$183k for the remainder of FY23.

The expected billable wages are approximately \$59k less than the remaining contract budget wages for just UPWP and HSTP.

Expected billable wages are approximately \$130k less than the total remaining contract budget wages including all local contracts.

This is not including any new staff costs.

If 2 new planners are hired at approximately F. Lewis's current rate and all other staff remain at current pay rates, billable wages are expected to be approximately \$219k for the remainder of FY23.

The expected billable wages are approximately \$23k less than the remaining contract budget wages for just UPWP and HSTP.

Expected billable wages are approximately \$94k less than the total remaining contract budget wages including all local contracts.

If the majority of staff time is allocated to billable programs as expected, the current budget should easily accommodate an increase in staff wages of \$30k.

ISSUE: Health Insurance Renewal

Discussion regarding contracts for employee health insurance renewal

ACTION NEEDED BY EXECUTIVE COMMITTEE:

Make recommendation to Full Commission

BACKGROUND:

The Commission provides medical, dental, vision, and short-term disability insurance to its employees. The health insurance contracts currently provided by United Health Care River Valley, Delta Dental and Guardian will expire on February 28, 2023. Our health insurance broker, Tim Neuhauser of Envision Insurance, has provided me with insurance bids from multiple companies for consideration. I have reviewed those options with Tim and have provided staff with an opportunity to review the recommendations.

The Commission's policy for employees as it relates to health insurance requires Commission employees to pay a portion of their healthcare costs. The policy took effect on March 1, 2017. Employees hired before July 1, 2016, will contribute \$50 per month and employees hired after July 1, 2016 will contribute \$100 per month.

The Commission also has a policy providing a dual tier insurance plan to employees. The dual tier plan includes a Preferred Provider Option (PPO) plan and a High Deductible (HD) plan with a Health Savings Account (HSA) option. Furthermore, the Commission has a policy to consider making an annual employer contribution to the employee HSA. The employer contribution would be an incentive to encourage employees to consider the less expensive (premium)High Deductible/HSA option.

Medical Insurance:

Staff has evaluated multiple options from health insurance carriers that are available to our region. (United Health Care, Blue Cross Blue Shield,). Our current provider, Blue Cross Blue Shield has provided a renewal option with a 8.26% increase in premium. The renewal benefits would be almost identical for employees. Last year, the Blue Cross option provided an 18.61% decrease from the previous year. The Blue Cross Blue Shield Platinum P5E1BCE is the most cost-effective PPO choice for the Commission and its employees.

In terms of HD plans the BCBS Gold G535BCE plan is the most cost-effective choice for those employees choosing the HD plan.

Please see Attachment A

Employer Contribution to an Employee Health Savings Account

Per the employee health benefit policy, if an employee were to enroll in an eligible High Deductible insurance plan, the employee would be eligible to have a Health Savings Account (HSA). Employees could contribute their own funds to the HSA pre- tax. To incentivize employees to take the HD HSA option, employers can make a contribution to the HSA. The Commission's employer contribution would be limited to this contract year only. All future employer contributions would be decided by the Commission on an annual basis. Analysis has indicated that the Commission could save 23% of premium cost per employee if the employee would sign up for the HD/HSA insurance plan.

Dental Vision and Short-Term Disability

Staff have received quotes for Dental, Vision, and Short-Term Disability insurance from our insurance Broker. Attached are the worksheets that show the premium cost to the Commission.

Delta Dental has proposed a one-year contract with a 3% increase in premium.

Attachment B

Guardian has proposed a one-year contract with a \$73/year increase in premium for vision insurance, no increase in premium for Short Term Disability, and a no increase in premium for basic life insurance.

Attachment C

Reimbursement

Commission costs of health insurance benefits are recovered by direct reimbursement or the "Fringe Benefit Rate" from federal and state contracts and by hourly rates for local projects.

Recommendation

I recommend the Commission approve contracts for employee health insurance for the March 1, 2023, to February 28, 2024

contract year with the following:

Medical insurance - Blue Cross Blue Shield Platinum

PPO Plan number P5E1BCE (8.26% increase from previous

contract)

HD- Plan number G535BCE (14.55% increase from previous

contract)

Dental Insurance – **Delta Dental** (1.2% increase from previous contract)

Vision, Short Term Disability, Life - Guardian (1.3% increase from previous contract)

Commission (Employer) Contribution to employee Health Savings Account:

\$500 contribution per employee (who choose the HD Plan) 1 employee \$1000 contribution per employee and eligible dependents (who choose the HD Plan)

Renewal for Tri Cty Regional Planning Comm, Group #35690

Thank you for choosing Delta Dental of Illinois as your dental benefits carrier. Oral health is key to overall health, and preventive care is vital to good oral health. We're delighted to provide your group with dental coverage to help your employees get the oral health care they need, and especially pleased to partner with your group to help ensure your employees and their covered dependents have a lifetime of healthy smiles.

We are pleased to present Delta Dental of Illinois' renewal package for Tri Cty Regional Planning Comm, Group #35690. Renewal rates for your selected plan/s and coverage/s are below.

Renewal and Current Rates – Delta Dental of Illinois

Rates are effective: March 1, 2023- February 28, 2025

Delta Dental PPO	Current Rates	Renewal Rates
Single	\$26.22	\$27.00
Single+1	\$54.77	\$56.34
Family	\$98.81	\$101.25

^{*}The rates include Delta Dental of Illinois' expected tax imposed by the Affordable Care Act (ACA), which is 1.2%. This percentage will be evaluated during the year and may be adjusted if necessary.

One Good Plan Deserves Another

Groups can receive a discount of 2% on their dental plan rate by adding a qualifying DeltaVision®* group product to a Delta Dental of Illinois dental plan. DeltaVision is offered in association with EyeMed Vision Care networks. Our vision plans offer quality coverage, single-site administration, larger networks, more benefits and a better member experience. We have included two DeltaVision quotes for your review.

Smart Option Non-Benefit Eligible Employees

Delta Dental of Illinois strives to help all of your employees as healthy as possible. Individuals with dental insurance go to the dentist more than those without to get the oral health care services they need. Consider our dental plans for Illinois individuals and families for your non-benefit eligible employees. Please visit deltadentalil.com and select Shop for Plans for more details on our individual product offerings.

ACA/EHB rider option

Groups with 50 or fewer employees can choose to add the Delta Dental of Illinois Individual Kids Preferred Plan as an ACA rider to their plan. The Individual Kids Preferred Plan uses the Delta Dental PPO network with an Exclusive Provider Feature where benefits are paid only when a member uses a Delta Dental PPO dentist. Delta Dental PPO dentists cannot bill members for charges over the PPO allowed amount. Please contact us if you'd like a quote.

Wellness: Plan Enhancements

All of our Delta Dental PPO and Delta Dental Premier plans include coverage for implant therapy and posterior composites (tooth-colored fillings on back teeth) and our Enhanced Benefits Program. This program enhances coverage for individuals who have specific health conditions that can be positively affected by additional oral health care. Conditions include diabetes, pregnancy, periodontal disease, high-risk cardiac conditions, kidney disease, cancer-related chemotherapy and radiation, and suppressed immune systems.

You can also visit deltadentalil.com/oralhealth for a host of oral health resources.

We value your business. We have enjoyed our business partnership and look forward to continuing our relationship. If you have any questions, please contact me. If we do not receive a signed letter from you by February 15th, Delta Dental of Illinois will assume you agree to the proposed rates for your existing benefit plans and renew your existing benefit plans.

Sincerely,
Delta Dental of Illinois Small Group Team
