3. Public Comment

None

4. Motion to Approve the Meeting Minutes of October 2, 2024

John Kahl moved to approve the October 2, 2024 meeting minutes, seconded by Autum Jones. Motion carried.

5. Chairman Report

None

6. Executive Director report

- a. Eric Miller reported on the following:
 - i. Tri-County has accepted Adam Cutcher for the Planner II position. He will be starting November 18.
 - ii. Tri-County had 11 submissions for the US EPA Brownfield Assessment RFQ. Staff is hoping to have a consultant under contract before the holiday break.
 - iii. The 2050 Long Range Transportation Plan (LRTP) is keeping staff very busy.
 - iv. The Safe Streets for All (SS4A) planning initiative is in the works
 - v. FY2026 budget talks will begin with staff in December.

7. Ways and Means Report

a. Motion to approve the September 2024 Financial Statements and Billings (Resolution 25-20)
 Autum Jones moved to approve the September 2024 Financial Statements and Billings (Resolution 25-20); Camille Coates seconded.

Rebecca Eisele reported on the September 2024 financial statements.

- i. Total Operating Cash at the end of the month was approximately \$945,000. Operating cash decreased by (\$22,000) in September, compared to August.
- ii. Total Accounts Receivable at the end of the month was \$471,000. Of the A/R balance, \$315,000 was federal funds, \$56,000 was state funds, and \$100,000 was local funds.
- Accounts Payable balance at the end of the month was \$115,000, and of that amount there was \$109,000 in unpaid pass-through expenses as of the end of September. The remaining \$6,000 Accounts Payable balance at the end of September was for regular bills.
- iv. September had 20 regular working days, one paid holiday, and 136.74 hours of PTO were used by staff.
- v. Total Revenue for September was \$141,000.
- vi. Total Expenses for September were (\$154,000).
- vii. September ended with a deficit of approximately (\$13,000), Fiscal Year 2025 has a surplus of approximately \$223,000.

Motion carried.

b. Motion to approve the FY 2024 Independent Audit Report (Resolution 25-21)

Russ Crawford moved to approve the FY 2024 Independent Audit Report (Resolution 25-21); Camille Coates seconded the motion.

Greg Douglas, Director of MH, presented the auditor team. Mike Plecki summarized the audit packet as follows:

 MH has audited the accompanying financial statements of Tri-County Regional Planning Commission for year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements as listed in the table of contents.

- ii. In the opinion of MH, the financial statements present fairly, in all material resects, the respective financial position of the Commission as of June 30, 2024, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.
- iii. Greg Douglas reported that the post audit letter states that there were no problems, issues, or discrepancies during the audit. The audit has been submitted to the proper governmental offices for filing. He mentioned it was again a pleasure to work with TCRPC staff.

Motion carried.

8. Administration

a. Motion to approve out of state travel to Washington, DC on February 26 through March 1, 2025, for the BRECC 2024 Action Challenge Capstone (Resolution 25-22)

Don White moved to approve out of state travel to Washington, DC on February 26 through March 1, 2025, for the BRECC 2024 Action Challenge Capstone (Resolution 25-22); Russ Crawford seconded the motion.

Debbi La Rue presented the following:

- i. The Building Resilient Economies in Coal Communities (BRECC) Initiative is designed to help communities in coal-reliant regions enact place-based, locally driven development strategies to build thriving, resilient economies.
- The GPEDC applied for and was selected for the BRECC Action Challenge for Mason, Tazewell, and Peoria counties, each of which has either had a coal power plant close (Mason in 2019, Peoria in 2022) or will have one close (Tazewell by 2028).
- iii. Debbi La Rue is one of the Action Challenge Team Members and has been asked by GPEDC to participate in the BRECC 2024 Action Challenge Capstone Convening.
- iv. The Capstone event is in Washington, DC from February 26 through March 1, 2025.
- v. At the Capstone event, seven BRECC Action Challenge teams will present their economic diversification plans, develop strategies for next steps and strengthen relationships with peers and Federal partners. Participants will engage with key federal stakeholders, share success stories and learn best practices for economic diversification

Motion carried.

9. Planning

a. Motion to approve the Executive Director to enter into and implement an agreement for Planning and Zoning Services for Tazewell County (Resolution 25-23)

Danny Phelan motioned to approve the Executive Director to enter into and implement an agreement for Planning and Zoning Services for Tazewell County (Resolution 25-23); Nate Parrott seconded the motion.

Eric Miller requested approval to enter into a contract with Tazewell County to provide technical services for planning and zoning cases. This annual contact has been in place for at least 30 years.

Motion carried.

b. Motion to approve the Executive Director to enter into and implement an agreement for Planning and Zoning Services for Woodford County (Resolution 25-24)

John Kahl motioned to approve the Executive Director to enter into and implement an agreement for Planning and Zoning Services for Woodford County (Resolution 25-24); Nate Parrott seconded the motion.

Eric Miller requested approval to enter into a contract with Woodford County to provide technical services for planning and zoning cases. This annual contact has been in place for 15 years.

Motion carried.

c. Motion to approve the Executive Director to enter into and implement an agreement for administering and managing the consultant-led Peoria County Comprehensive Planning process (Resolution 25-25)

John Kahl motioned to approve the Executive Director to enter into and implement an agreement for administering and managing the consultant-led Peoria County Comprehensive Planning process (Resolution 25-25); Don White seconded the motion.

Michael Bruner reported on the following:

- i. Staff has been working with Peoria County Department of Planning & Zoning for some time to find funding for the county to update their Comprehensive Plan.
- ii. Staff applied for IDOT Statewide Planning and Research (SPR) funding for a consultant-led planning process but was unsuccessful.
- iii. Peoria County staff are still seeking opportunities to update their Comprehensive Plan and have found alternative funding sources to do so.
- iv. Peoria County has proposed contracting with the Commission for \$300,000 to procure, select, contract, and administer the comprehensive planning process.

Motion carried.

10. GIS

a. Motion to approve the Executive Director to enter into and implement an agreement for Geographic Information System support services for Woodford County (Resolution 25-26)

John Kahl motioned to approve the Executive Director to enter into and implement an agreement for Geographic Information System support services for Woodford County (Resolution 25-26); Patrick Urich seconded the motion.

Eric Miller requested approval to enter into an agreement for GIS technical services, a wide range of activities of GIS support systems supporting various departments within the county. This has again been done for 15 years.

Motion carried.

11. Updates

a. Combined Call for Projects

Michael Bruner presented the following

- i. It is the Commission's practice for Project Review Committees, such as the one for this Call for Projects, to be comprised of member jurisdictions that did not participate in the Call for Projects.
- ii. The jurisdictions that did not participate are Bartonville, Chillicothe, West Peoria, and Woodford County.

- iii. The Commission received 19 applications for the Combined Call for Projects. To reduce the administrative burden for the Project Review Committee, four Subcommittees were created: Transit, Preservation, Reconstruction/New Construction, and Enhancement.
- iv. Each Subcommittee comprised two to three members who were responsible for reviewing and scoring 6 to 7 applications. The subcommittees met separately to discuss their assigned projects and to average all members' scores to make a funding recommendation.
- v. The full group will be meeting later today to finalize their recommendations to be presented to the Technical Committee at their November 20th meeting, where Technical members will review the recommendation and ultimately make a formal recommendation for the Commission to consider and approve.

b. Long-Range Transportation Plan 2050 Update

Michael Bruner presented the following:

- i. On Friday, November 1, staff released a mass email announcing the latest public input opportunity for the LRTP 2050.
- ii. This new opportunity is a Virtual Open House and Survey that will be open from Friday, November 1 to Wednesday, November 20.
- iii. The virtual public input opportunity allows Greater Peoria residents to share their thoughts and opinions on the future of transportation in the Peoria-Pekin metropolitan areas for the next 25 years at a time that best fits their schedule.
- iv. Please share this opportunity with any residents, stakeholders, and staff in the region.
- v. In addition, Debbi La Rue gave an update on the Regional Prioritization plans Tri-County has been working on.
 - 1. A short list of high priority projects has been developed, and staff is in the process of interviewing different municipalities and key agencies to find attributes and characteristics to identify competitive projects. Each municipality is asked to reflect on how this aligns with their local priorities.
 - 2. Tri-County is hoping to have the internal analysis completed by the middle of November. The Regional Prioritization subcommittee will then be asked to look over the short list, in hopes of presenting for approval at the December 6 Commission meeting. Projects need to be competitive for discretionary federal grant programs and attention at the state level, so Tri-County has hired a graphic designer to develop two-page spreads to give to officials to help spread the word.

c. IDOT

IDOT officials reported that IDOT is working on FY26 Planning. There will be a 7-8 page guidance document; they just need to finish updating dollar amounts for the upcoming year. This document should be sent out soon. The IDOT representatives gave a reminder to cover the PM1, PM2 and PM3 performance measures soon.

d. FHWA

No updates.

12. Other

a. Next meeting is scheduled for December 4, 2024, at 9:00 a.m.

13. Adjournment

Camille Coates moved to adjourn the meeting, and Don White seconded. The motion carried, and the meeting adjourned at 9:35 a.m.

RESOLUTION 25-27

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO APPROVE THE FINANCIAL REPORTS AND BILLINGS FOR OCTOBER 2024

WHEREAS, the Tri-County Regional Planning Commission is required to establish and maintain proper accounting procedures and cash management records in accordance with Generally Accepted Accounting Principles (GAAP) as applied to governmental agencies, and

WHEREAS, on a monthly basis, the staff accountant prepares end-of-month financial reports and a listing of cash disbursements, and

WHEREAS, the Ways & Means Committee has reviewed the end-of-month financial statements and cash disbursements report for October 2024 and recommends that the Commission approve said reports.

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

That Commission accepts and approves the financial reports and cash disbursements for October 2024.

Presented this 4th day of December 2024 Adopted this 4th day of December 2024

> Greg Menold, Chairman Tri-County Regional Planning Commission

ATTEST:

Eric W. Miller, Executive Director Tri-County Regional Planning Commission

FY 2026 Federal Metropolitan Planning Marks

Formula Funding: Annual Federal Apportionment distributed through a population-based formula.

Provisional Funding: Temporary supplemental funding for SFYs 2024-2026 identified in the **Distribution Policy for Unspent PL Funding** dated January 6, 2023.

RESOLUTION 25-28

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO APPROVE THE AMENDMENT TO THE FISCAL YEAR 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM.

WHEREAS, the Tri-County Regional Planning Commission, hereafter referred to as the Commission, is recognized as the Metropolitan Planning Organization (MPO) for the Peoria-Pekin Urbanized Area; and

WHEREAS, Titles 23 and 49 of the United States Code require MPOs to develop a Transportation Improvement Program, and Title 23 Code of Federal Regulations, Section 450.326, records the required content; and

WHEREAS, the Commission has developed the Fiscal Year 2025 – 2028 Transportation Improvement Program, hereafter referred to as the TIP, through the continuing, cooperative, and comprehensive (3C) transportation planning process and through a participatory process as prescribed in the Commission's Public Participation Plan (PPP); and

WHEREAS, the TIP lists all federally-funded transportation projects in the Metropolitan Planning Area (MPA) programmed within the four-year plan horizon and warrants the metropolitan transportation planning process follow all applicable state and federal requirements; and

WHEREAS, the Technical Committee recommended approval of the TIP on July 17, 2024, and the Commission authorized the adoption on August 7, 2024; and

WHEREAS, the Commission has received a request to amend the TIP by adding, deleting, or revising project(s) as shown in the Attachment A; and

WHEREAS, the Commission has reviewed the request and found it consistent with the policies, plans, and programs, including the most recent Long-Range Transportation Plan adopted by the Commission.

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

That the Commission herewith amends the Fiscal Year 2025–2028 Transportation Improvement Program as detailed in Attachment A.

Presented this 4th day of December 2024 Adopted this 4th day of December 2024

> Greg Menold, Chairman Tri-County Regional Planning Commission

MEMORANDUM

TO:	Full Commission
FROM:	Staff
SUBJECT:	Pavement & Bridge Condition and System Performance Targets
DATE:	December 4, 2024

Action Needed

Approve the support and adoption of IDOT's Pavement & Bridge Condition and System Performance targets.

Background

In 2012, Congress passed the Moving Ahead for Progress in the 21st Century Act (MAP-21), mandating all Metropolitan Planning Organizations (MPOs) and State Departments of Transportation (DOTs) to develop a performance-based transportation planning and programming approach. The requirements for a performance-based approach have been continued under the Fixing America's Surface Transportation (FAST) Act of 2015, and the current transportation funding law, Infrastructure Investment and Jobs Act (IIJA) of 2021.

The intent of the Federal Highway Administration (FHWA) is to use this systematic data as a strategic approach to make transportation investment and policy decisions that benefit the national goals. The focus areas for collecting this data and setting targets are Safety (PM-1), Pavement & Bridge Condition (PM-2), Congestion Reduction (PM-3), System Reliability (PM-3), Freight Movement and Economic Vitality (PM-3), Environmental Sustainability, and Reduced Project Delivery Delay.

Tri-County Regional Planning Commission (TCRPC) is the MPO for the Peoria-Pekin urbanized area and reviews the targets set by the Illinois Department of Transportation (IDOT) for adoption. MPOs have 180 days to accept or set their own performance measures from the date the State DOT sets their targets. Historically, TCRPC has elected to support the state's targets for PM-1, PM-2, and PM-3. Please note, only states are assessed for significant progress made towards established targets, not MPOs. Tri-County Regional Planning Commission Page 2 December 4, 2024

Pavement & Bridge Condition and System Performance Targets

Within their State Biennial Performance Report to the FHWA, IDOT is required to provide two- and four-year targets. The targets are based on data submitted during the annual National Bridge Inventory (NBI) and Highway Performance Monitoring System (HPMS) submittals. The targets cover PM-2 and PM-3 and are updated in even-numbered years, with 2024 marking the 2nd year in the 2nd Performance Reporting Period.

The below table is the summary of the overall PM-2 and PM-3 review. The table includes the two-year targets with the actual performance for both the TCRPC MPO and IDOT. To determine if modification of the original four-year targets was warranted, IDOT put together a working group to review historical trends, the Annual Program, Multi-Year Program, and prior targets. As a result, the last column in the table reflects the working group's adjustments to the 2026 targets.

	Data Year		2021		2023			2025	
	Reporting Year	TCRPC Estimated Baseline 2022	IDOT Estimated Baseline 2022	TCRPC Actual 2024	IDOT Actual 2024	Targets 2024	Targets 2026	Adjusted Targets 2026	
	% of Interstate Pavement in Good Condition	67.6%	65.7%	86.9%	64.9%	65.0%	66.0%	65.0%

RESOLUTION 25-29

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION ADOPTION OF TARGETS FOR PAVEMENT AND BRIDGE CONDITIONS AND SYSTEM PERFORMANCE TARGETS ESTABLISHED BY THE ILLINOIS DEPARTMENT OF TRANSPORTATION.

WHEREAS, the Tri-County Regional Planning Commission, hereafter referred to as the Commission, is recognized as the Metropolitan Planning Organization (MPO) for the Peoria-Pekin Urbanized Area, and

WHEREAS, the Moving Ahead for Progress in the 21st Century (MAP-21) Act of 2012, and continued under the Fixing America's Surface Transportation (FAST) Act of 2015 and Infrastructure Investment and Jobs Act (IIJA) of 2021, established requirements for performance management and performance-based planning and programming to ensure the most efficient investment of federal transportation funds, and

WHEREAS, the IIJA requires state DOTs to set pavement condition, bridge condition, and system performance targets, and to implement data collection and reporting procedures for the targets, and

WHEREAS, the IIJA requires MPOs to either support their respective state DOT's pavement condition, bridge condition, and system performance measure targets, or set their own customized targets within 180 days of the state DOT's target adoption, and

WHEREAS, the Illinois Department of Transportation (IDOT) has set their respective performance measure targets for pavement and bridge conditions, and system performance on November 15, 2022, with the option to re-evaluate and update the measures every two years, and

WHEREAS, the Commission adopted the IDOT pavement and bridge condition and system performance targets on March 1, 2023, and

WHEREAS, IDOT has chosen to re-evaluate and update these measures, and Commission staff and the Technical Committee have reviewed IDOT's changes and recommend adoption.

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

That the Commission supports the Illinois Department of Transportation's pavement and bridge conditions, and system performance measures and elects to adopt the state's targets.

Presented this 4th day of December 2024 Adopted this 4th day of December 2024

ATTEST:

Greg Menold, Chairman Tri-County Regional Planning Commission

Eric Miller, Executive Director Tri-County Regional Planning Commission

MEMORANDUM

то:	Full Commission
FROM:	Technical Committee & Combined Call for Projects Review Committee
SUBJECT:	Combined Call for Projects Scoring Overview & Recommendation
DATE:	December 4, 2024

Action Needed

Approve the programming of the FY 2024 Combined Call for Projects Funding Recommendation Option 3.

Executive Summary

A Project Review Committee comprised of representatives from jurisdictions that did not submit a project reviewed and scored the 19 Combined Call for Projects applications. This process resulted in the Review Committee bringing five funding options for the Technical Committee's consideration. The Technical Committee unanimously voted to recommend Funding Option 3 to the Commission.

Background

The Tri-County Regional Planning Commission (TCRPC) is the Metropolitan Planning Organization (MPO) for the Peoria-Pekin Urbanized Area. One of the responsibilities of the MPO is to program federal funds allocated to TCRPC. These federal funds are allocated on an annual basis to the MPO and include the Carbon Reduction Program (CRP), Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310), Surface Transportation Block Grant (STBG), and Transportation Alternative (TA) Set-Aside.

The Commission released the Combined Call for Projects on Wednesday, April 17, 2024. To aid in the application process, TCRPC hosted a virtual Pre-Application webinar on Thursday, May 9th, 2024, to cover the Call for Projects and allow for questions. Staff received a total of 19 applications by the Friday, June 28, 2024, due date.

Funding Information

Other than Section 5310, TCRPC's federal allocated funds come from the Federal Highway Administration (FHWA), and the Illinois Department of Transportation (IDOT) serves as the administrator. For Section 5310, the funds come from the Federal Transit Administration (FTA), and TCRPC serves as the administrator.

Tri-County Regional Planning Commission Combined Call for Projects Scoring Overview December 4, 2024

Tri-County's suballocation for FY 2024 CRP funds is \$594,496; therefore, utilizing the same allocation for FY 2025, TCRPC is estimating the available CRP funds for FY 2024 and 2025 are \$1,188,992.

The region's FY 2024 apportionment of Section 5310 funds is \$168,681, and there is \$9,798 available from the remaining FY 2023 unobligated funds. This results in \$178,479 available for FY 2023 and 2024 funding.

It is the practice of TCRPC to divide its STBG program into two categories: Traditional Program and Preservation Set-Aside Program. The Traditional Program receives 80 percent of the available funding and encompasses (1) new road projects, and (2) road reconstruction projects. The Preservation Set-Aside Program receives 20 percent of the available funding and only encompasses road preservation projects.

The Circular Letter 2023-02 from IDOT shows the Peoria-Pekin urbanized area federal funding allotment as \$4,385,697. Staff used this allotment for estimating the available funding for FY 2027 and 2028. This resulted in a total STBG funding pot of \$8,771,394, with \$7,017,115 in the Traditional Program and \$1,754,279 in the Preservation Set-Aside Program.

Tri-County's suballocation for FY 2024 TA funds is \$585,160; therefore, utilizing the same allocation for FY 2025, TCRPC is estimating the available TA funds for FY 2024 and 2025 are \$1,170,320. Additionally, \$293,959 of withdrawn FY 2020 TA funding request increased the available amount to \$1,464,279.

Below is a table outlining the available funding for each program by fiscal year. A total of \$11,305,746 is available from all the funding programs.

FY	CRP	Section 5310	STBG - Traditional	STBG - Preservation	ТА
2023		\$ 9,798.00			
2024	\$ 594,496.00	\$ 168,681.00			\$ 585,160.00
2025	\$ 594,496.00				\$ 585,160.00
2026					
2027			\$3,508,557.60	\$ 877,139.40	
2028			\$3,508,557.60	\$ 877,139.40	

Total \$1,188,992.00 \$175,040.00 \$7,017,115.20 \$1,754,278.80 \$1,170,320.00

Combined Call for Projects Review Committee

It is the Commission's practice for Project Review Committees such as this to be comprised of members that did not participate in the Call for Projects. The members that did not participate in the FY 2024 Combined Call for Projects are Bartonville, Chillicothe, West Peoria, and Woodford County. Additionally, the Human Services Tri-County Regional Planning Commission Combined Call for Projects Scoring Overview December 4, 2024

Transportation Plan (HSTP) Urban Subcommittee and IDOT representatives participated in the review process.

The Commission received 19 applications for the Combined Call for Projects. To reduce the administrative burden for the Project Review Committee, staff divided the Committee into four subcommittees to focus on the following types of projects: Transit, Pavement Preservation, Reconstruction and New Construction, and Enhancements. Each subcommittee was comprised of two to three members and were responsible for reviewing and scoring six to seven applications.

The four subcommittees meet separately to discuss their assigned projects and to average each member's scores together to determine the highest ranked projects. The full Project Review Committee then met to review the results of each subcommittee and made a funding recommendation for the Technical Committee to consider at their November 20th meeting.

Transit Subcommittee

The Transit Subcommittee met on October 22nd to discuss their six projects and was comprised of the HSTP Urban Subcommittee (Dawn Harper, Dr. ShamRA Robinson, Kylie Rathmann, Chris Mitchell, Jim Bremner, and Greg Cassidy*) and TCRPC representatives (Reema Abi-Akar and Michael Bruner). The table below provides the average total score for each project and identifies the subcommittee's funding recommendations with the blue box and text.

Organization	nization Project		Ranking
GPMTD	Washington, IL Paratransit Service	95	1
East Peoria	Main & Mariners Way Intersection	85	2
Pearl Transit Corp	24hr Transportation Service	67.5	3
WeCare	Paratransit Rehabilitation	52.5	n/a
City of Peoria	Pioneer Parkway Multi-Use Path	50	4
City of Pekin	Broadway Street Rehabilitation	42.5	5

At the HSTP Urban Subcommittee meeting, the Subcommittee recommended funding the Washington Paratransit Service project and the engineering portion of the East Peoria project. The remaining \$33,279 will be carried over into the next Call for Projects. Additionally, the Subcommittee gave their support for the other available funding sources to fund both the Pekin Broadway Street and Peoria Pioneer Parkway projects. Due to the small amount of Section 5310 funding available, the Subcommittee felt the 5310 funding would have less of an impact on the Pekin and Peoria projects.

*Two HSTP Urban Subcommittee members, Dr. ShamRA Robinson and Jim Bremner, were involved in the Greater Peoria Mass Transit District project submission, so although they were present at the subcommittee meeting, they abstained on voting for the project selections.

Reconstruction & New Construction Subcommittee

The Reconstruction & New Construction Subcommittee was comprised of Ann Doubet from Germantown Hills, Doug Delille from IDOT, Kinga Krider from West Peoria, and TCRPC representatives (Reema Abi-Akar, Michael Bruner, Ray Lees, and Eric Miller). The subcommittee met on October 30th to discuss their seven projects. The table below provides the average total score for the projects and identifies the projects the subcommittee is recommending for funding with the blue box and text.

Organization	Project	Score	Ranking
Pekin	Broadway Street Rehabilitation	70.6	1
Peoria	Reservoir Boulevard Complete Street Project	61.1	2
Washington	Lakeshore Drive Extension	55.9	3
Peoria County	Radnor Road Reconstruction	53.2	4
Washington	Dallas Rd Phase 2 Reconstruction	41.5	5
East Peoria	Centennial Drive	38.9	6
Tazewell County	Muller Road Widening & Resurfacing	34.2	7

At the Reconstruction and New Construction Subcommittee meeting, the group recommended funding the top two projects, which results in a remining balance of \$637,115. During the FY 2025-26 STBG Traditional Call for Projects, the Commission underfunded the City of Peoria's project reconstructing the Northmoor and University intersection by \$360,000. At the time, the ranking of the project was number 2 with an average score of 73.55.

Looking at options to utilize the leftover funding, the group looked at the third and fourth ranked projects; however, the third ranked project requested \$2.9 million, and the fourth ranked project requested \$6.7 million. Additionally, the group questioned if the Washington Lakeshore Drive extension would be eligible, as the group saw it more of a local road and questioned if a functional classification of minor collector or above was eligible due to the proximity of Cummings Lane. As a result, the group left the remaining balance to potentially fully fund projects in the other groups or as recommended by the full Project Review Committee.

Enhancement Subcommittee

Brandon Geber from IDOT, Derek Roemer from Limestone Township, Heidi Rhea from Bartonville, and TCRPC representatives (Reema Abi-Akar, Michael Bruner, and Eric Miller) made up the Enhancement Subcommittee, which met on October 31st to discuss their six projects. The table below provides the average total score for the six enhancement projects and identifies the projects the subcommittee is recommending for funding with the blue box and text. Tri-County Regional Planning Commission Combined Call for Projects Scoring Overview December 4, 2024

Organization	Project	Score	Ranking
Peoria	Pioneer Parkway Multi-Use Path	69.9	1
Pekin	Broadway Street Rehabilitation	66.0	2
Peoria Heights	Glen Ave Sidewalk ADA Ramps	65.5	3
Morton	Main Street – Jackson to Courtland St.	59.0	4
East Peoria	Main & Mariners Way Intersection	58.1	5
Washington	Lakeshore Drive Extension	54.9	6

At the Enhancement Subcommittee meeting, staff informed the members that the Transit Subcommittee had recommended funding the engineering portion of the East Peoria project and that the Reconstruction and New Construction Subcommittee had recommended fully funding the Pekin Broadway Street project. As a result, the Enhancement Subcommittee recommended fully funding the Peoria project and utilizing the remaining funds to cover as much of the Peoria Heights project as possible.

The group recommended using all CRP funds for the Peoria project. Also, a couple of the members were uncertain about the funding of the Peoria Heights project since it only involves upgrading ADA ramps and sidewalks to bring it up to code for future road improvements. They saw this project more of a maintenance project. However, given the average score ranking and the next project being significantly costlier, the Subcommittee recommended proceeding with the Peoria Heights project.

Pavement Preservation Subcommittee

Amanda Beadles from Chillicothe, Conrad Moore from Woodford County, and representatives from TCRPC (Reema Abi-Akar, Michael Bruner, and Eric Miller) made up the Pavement Preservation Subcommittee. The Subcommittee met on October 31st to discuss their six projects. The below table provides the average total score for the projects and identifies the projects the subcommittee is recommending for funding with the blue box and text.

Organization	Project	Score	Ranking
Washington	S. Main Street Resurfacing	67	1
Washington	N. Main Street Resurfacing	57.5	n/a
Tazewell County	North Main Street Resurfacing	56.6	2
Morton	Main Street – Jackson to Courtland St.	52.5	3
Creve Coeur	Resurfacing Pekin Avenue	45.4	4
Peoria County	Cameron Lane Resurfacing	44.8	5

At the Pavement Preservation Subcommittee meeting, staff informed the group that the Enhancement Subcommittee recommendation did not include the Morton project. During the discussion, the primary talking point was more related to how vital of a connector that roadway is to employment. Because of this, the group recommended Tri-County Regional Planning Commission Combined Call for Projects Scoring Overview December 4, 2024

fully funding the Washington South Main Street and Tazewell County North Main Street projects and utilizing the remaining balance to fund as much as possible of the Morton Preservation project. However, they did note that the project area needs a walkway.

Funding Recommendation

The Project Review Committee recommends funding the projects identified in the table below. Please note that the Reconstruction & New Construction had a \$637,115 balance. Due to this balance, the Project Review Committee developed five funding options for the Technical Committee to consider. These options are outlined below, and Appendix A shows each option in a table format. Within the tables, all changes that are different from Funding Option 1 are highlighted.

- Option 1: Keep the full \$637,115 balance for a future Call for Projects.
- Option 2: Make the Peoria FY 2026 project whole and keep the remainder balance of \$277,115 for a future Call for Projects.
- Option 3: Make the Peoria FY 2026 project whole, fully fund the Morton Preservation project, and use the remainder to bring Peoria Heights closer to their full requested amount.
- Option 4: Make the Peoria FY 2026 project whole, fully fund the Peoria Heights Enhancement project, and use the remainder to bring Morton closer to the full requested amount for their Preservation project.
- Option 5: Fully fund both Morton and Peoria Heights and bring Peoria's FY 2026 project closer to the full requested amount.

Technical Committee Recommendation

At the November 20, 2024 Technical Committee Meeting, the Committee voted by roll call to recommend Option 3, which resulted in a unanimous recommendation. This recommendation funds nine new projects and brings the City of Peoria's FY 2026 STBG project whole.

RESOLUTION 25-30

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO PROGRAM FY 2024 COMBINED CALL FOR PROJECTS UTILIZING FY 2023-24 SECTION 5310, FY 2024-25 CARBON REDUCTION PROGRAM, FY 2024-25 TRANSPORTATION ALTERNATIVE SET-ASIDE, AND FY 2027-28 SURFACE TRANSPORTATION BLOCK GRANT FUNDING AND AMEND THE FY 2025-28 TRANSPORTATION IMPROVEMENT PROGRAM.

WHEREAS, the Tri-County Regional Planning Commission, hereafter referred to as the Commission, is recognized as the Metropolitan Planning Organization (MPO) for the Peoria-Pekin Urbanized Area; and

WHEREAS, the MPO receives federal transportation funds from the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA), and is responsible for competitively programming federal Carbon Reduction Program (CRP), Section 5310, Surface Transportation Block Grant (STBG), and Transportation Alternative Set-Aside (TA) funds for eligible projects that are regionally significant; and

WHEREAS, the Commission has approximately \$175 thousand (\$175K) in Section 5310 funding for FY 2023-24, \$1.19 million (\$1.19M) in CRP funding for the FYs 2024-25, \$1.17M in TA funding for FYs 2024-25, and \$8.77M in STBG funding – with 20%, or \$1.75M, set aside for pavement preservation, and the remaining 80%, or \$7.02M, for traditional reconstruction and new roadway projects – for FYs 2027-28; and

WHEREAS, the Commission released a Combined Call for Projects on Wednesday, April 17, 2024, and received 19 applications by the Friday, June 28, 2024, due date; and

WHEREAS, the MPO Technical Committee formed a Project Review Committee, comprised of representatives from jurisdictions that did not submit applications, who reviewed and scored the 19 applications, resulting in five funding options developed for the Technical Committee's consideration and recommendation; and

WHEREAS, at the November 20, 2024, Technical Committee meeting, a roll call vote to recommend funding option three to the Full Commission was unanimously approved.

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

That the Commission accepts the MPO Technical Committee's recommendation and programs the Commission-allocated Federal funds as detailed in Attachment A and amends the FY 2025-28 Transportation Improvement Program to incorporate the newly programmed projects as detailed in Attachment B.

Presented this 4th day of December 2024 Adopted this 4th day of December 2024

ATTEST:

Greg Menold, Chairman Tri-County Regional Planning Commission

RESOLUTION 25-31

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO AUTHORIZE THE EXECUTIVE DIRECTOR TO ENTER INTO AN INTERGOVERNMENTAL AGREEMENT WITH THE ILLINOIS DEPARTMENT OF NATURAL RESOURCES TO SUPPORT PHASE THREE OF A REGIONAL WATER SUPPLY PLANNING PROCESS.

WHEREAS, in January 2006, Governor Rod Blagojevich signed Executive Order 2006-01, requiring the Illinois Department of Natural Resources (IDNR) to lead state and regional water-supply planning activities; and

WHEREAS, the IDNR has conducted or is conducting water supply planning projects for Northeastern Illinois, East-Central Illinois, Kaskaskia Region, the Rock River Region, and the Kankakee Subregion; and

WHEREAS, the State of Illinois is currently seeking to establish a water supply plan for the Middle Illinois Basin comprised of Peoria, Woodford, Stark, Marshall, Putnam, LaSalle and Livingston Counties; and

WHEREAS, this third phase of water supply planning includes the assessment of municipal water system resiliency and management practices, identification of priority aquifer recharge areas, development of a future drought planning framework, and investigation of the relationship between water supply and regional economic development decisions; and

WHEREAS, because of the Commission's partnerships with water quality, stormwater, and land use practitioners in the region, IDNR staff have indicated that the Commission is well-positioned to assist the State in continuing this regional water supply planning process; and

WHEREAS, the budget includes acquiring a project-specific intern to provide additional support in the process as needed, so the Commission has the option to explore such a hire to help conduct this work; and

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

To authorize its Executive Director to enter into an intergovernmental agreement with IDNR for \$18,000 in fiscal year 2025, \$36,000 in fiscal year 2026, and \$18,000 in fiscal year 2027.

Presented this 4^{th} day of December 2024 Adopted this 4^{th} day of December 2024

> Greg Menold, Chairperson Tri-County Regional Planning Commission
