Also Present: Ray Lees, Rebecca Eisele, Eric Miller, Michael Bruner, Isaiah Hageman, Else Hayes, Adam Crutcher, Gavin Hunt and Lori Reynolds, TCRPC; and Doug DeLille, IDOT.

3. Public Comment

None.

4. Motion to Approve the Meeting Minutes of June 4, 2025

Autum Jones made a motion to approve the June 4, 2025 meeting minutes, seconded by John Kahl. Motion carried.

5. Chairman Report

None

6. Executive Director report

Eric Miller reported the following:

- At last month's meeting, the Safe Streets for All Plan was approved. Staff is developing structure
 for a Transportation Safety Committee and identifying members. Funding is being sought, with
 hopes of being funded through Safe Streets for All. We will have a progress report next month.
- Staff is working on submitting a Highway Safety Improvement Program (HSIP) for continued guardrail funding. The cost was too much for the funds we had available for the original round, so we applied for supplemental funding to make that project whole. Hopefully that will be approved.
- Staff is in the beginning stages of creating the Electronic Transportation Improvement Program which will help with the TIP amendments and processing through IDOT.
- Heart of Illinois Regional Port District Master Planning, which is an IDOT planning research funded project, is wrapping up. The document is nearly completed, and we will probably have a presentation to this board once it's completed.
- We welcome Planner Gavin Hunt back from the Army National Guard after 16 months.

7. Ways and Means Report

a. Motion to approve the May 2025 Financial Statements and Billings (Resolution 26-01)

John Kahl made a motion to approve the May 2025 Financial Statements and Billings. Nate Parrott seconded the motion.

Rebecca Eisele reported the following:

- Total Operating Cash at the end of the month was \$1,005,090. Operating cash increased by \$27,394 in May, compared to April.
- Total Accounts Receivable balance at the end of the month was \$296,743. Of the A/R balance, \$254,166 was federal funds, \$38,104 was state funds, and \$4,473 was local funds.
- Accounts Payable balance at the end of May was \$121,049. Of that amount, \$119,798 was unpaid pass-through expenses as of the end of May. The remaining Accounts Payable balance of \$1,252 was regular monthly bills unpaid on the last day of the month.
- Total Revenue for May was \$110,873.
- Total Expenses for May were (\$121,450).
- May ended with a deficit of (\$10,576).
- (\$72,206) of local TCRPC funds have been used in FY25 for local matching funds for grants.
- Fiscal Year 2025 has a surplus of \$145,161.

Motion carried.

8. Administration

a. Motion to approve authorization of the Executive Director to enter into an IT Administration, Web Hosting, and GIS server hosting agreement with IT Unified (Resolution 26-02)

Leon Ricca made a motion to approve authorization of the Executive Director entering into an IT Administration, Web Hosting, and GIS server hosting agreement with IT Unified. Nate Parrott seconded the motion.

Michael Bruner presented the following:

Our yearly service agreement for an Information Technology (IT) consultant to oversee our network, computer hardware, and data hosting server needs.

On an annual basis, staff evaluates the Commission's current IT services to ensure all needs are meeting or exceeding the Commission's operational needs and goals.

The service agreement renewal includes

- IT Administration and Website Hosting,
 - Includes the Commission's phone service, backup internet, website hosting, and IT support
- GIS Server Hosting and Maintenance,
 - o Includes server management, backups, firewall management, and remote VPN access
- Cybersecurity Services, and
 - o Includes email spam filtering and cyber security education
- Microsoft 365 subscription
 - Includes the Commission's email and word processing needs

The cost of this contract has been accounted for in the Commission's FY 2026 budget.

Amanda Beadles asked if a price comparison had been done regarding the cost of the IT services. Michael Bruner responded that yes, the procurement process had been completed approximately 5 years ago. Eric Miller added that the staff's technology needs are greater, as are the cyber security threats, and having our one IT servicer is more cost effective than having one for each of our needs. They are very efficient, pointing out potential problems we weren't aware of, and keeping us secure and up to date. Amanda was satisfied with the response.

Motion carried.

9. Transportation

a. Motion to approve the Transportation Improvement Program Amendments (Resolution 6-03)

i. Project S-25-10 Safety Improvements/Traffic Signal Modernization

Matt Wigginton made a motion to approve the Transportation Improvement Program Amendments. Russ Crawford seconded the motion.

Michael Bruner presented the following:

This is located in the City of Peoria at the intersection of US-150 (War Memorial Drive) and Willow Knolls Road. It involves traffic signal replacement and improvements, an eastbound turn lane extension, and a southbound turn lane addition.

This project was moved to the FY2026 Program. It is being updated to include a turn lane addition, with an increase of \$497,000 in HSIP funding. It is currently scheduled for the November 7, 2025 letting.

Motion carried.

b. Motion to approve the FY 2026 Special Transportation Studies awards (Resolution 26-04)

Nate Parrott made a motion to approve the FY 2026 Special Transportation Studies awards. John Kahl seconded the motion.

Michael Bruner presented the following:

Beginning in FY 2016, Tri-County has set aside MPO funds to be programmed annually for local member jurisdictions in the Metropolitan Planning Area (MPA) to undertake consultant-led transportation planning projects.

\$135,000 was available this year, and TCRPC received four funding requests from the April 16 – May 16 call for projects:

- City of Chillicothe \$65,000 Sidewalk Inventory and Analysis
- City of East Peoria \$40,000 Stormwater Inventory and Analysis
- Village of Germantown Hills \$50,000 Active Transportation Plan
- City of Peoria \$100,000 Pavement Condition Index (PCI) Rating Update

The STS Review Committee (Wayne Aldrich and Jeff Gilles) scored them based on set evaluation criteria, prioritized them in a meeting with TCRPC staff (Michael Bruner and Adam Crutcher), and ultimately crafted a funding recommendation.

The four submitted projects total \$255,000, exceeding the available \$135,000 budget by \$120,000. The top three projects, based on the committee's averaged scores, total \$155,000, just \$20,000 over budget. Notably, the highest-ranked project includes a \$10,000 local contribution. You can find the project rankings in your packet.

To bring the total closer to the available funds, the budgets for the second- and third-ranked projects were each reduced by \$10,000, with the recommendation that the shortfalls be covered by local contributions.

The Review Committee recommends the following:

- Chillicothe: \$55,000 in STS Funding and \$10,000 in local contribution
- East Peoria: \$30,000 in STS Funding and \$10,000 in local contribution
- Germantown Hills: \$50,000 in STS Funding and \$10,000 in local contribution
 - o This project was the one with the \$10,000 local contribution built in

Motion carried.

10. Planning

a. Motion to approve authorization of the Executive Director to enter into an agreement with the selected consultant for the Peoria County Comprehensive Land Use Plan (Resolution 26-05)

John Kahl made a motion to approve authorization of the Executive Director to enter into an agreement with the selected consultant for the Peoria County Comprehensive Land Use Plan. Leon Ricca seconded the motion.

Michael Bruner presented the following:

Resolution 25-25 authorized the Executive Director to enter into a contract with Peoria County to administer and manage a consultant-led comprehensive land use planning process.

The Peoria County contract funds both the selected consultant and reimbursed the Commission for staff time associated with procuring and administering the planning process.

The Commission issued a RFP on Friday, April 11, 2025, with submissions due on Monday, May 12, 2025. A total of six proposals were submitted in response to the RFP.

A selection Committee comprised of Peoria County Planning and Zoning Staff and Commission staff review and graded each submission. From the process, the top three submissions were selected and invited to participate in the interview process.

From the virtual consultant interviews, Planning NEXT was the winning firm and invited to participate in contract negotiations. Planning NEXT has provided an acceptable scope of services, timeline, and budget.

Staff request approval for Eric to execute a contract with the winning consultant, so the planning process can be started.

Motion carried.

11.GIS

a. Motion to approve the Executive Director to purchase GIS software maintenance from ESRI and renew two Trimble Virtual Reference State network subscriptions (Resolution 26-06)

Greg Menold made a motion to approve the Executive Director to purchase GIS software maintenance from ESRI and renew two Trimble Virtual Reference State network subscriptions. John Kahl seconded the motion.

Isaiah Hageman presented the following:

The use of GIS is essential to the daily workflow of Commission staff.

The Commission utilizes ESRI's subscription-based GIS software that requires an active maintenance agreement to receive updates and technical support.

The Commission also utilizes two Virtual Reference Station (VRS) network subscriptions from Trimble to ensure sub-centimeter accuracy.

Adequate funding for these expenses is included in the Computer Software and Service line item of the Commission's FY 2026 budget.

Danny Phelan asked how many municipalities utilize these services. Isaiah responded that Motion carried.

12. Updates

- a. IDOT Doug DeLille stated the only thing he is aware of is August 1st there is supposed to be an open call for projects for the Safe Routes to School program.
- b. FHWA none.

Eric Miller stated that if anyone needs assistance with Safe Routes to School application, staff would be happy to take a look and talk about ideas. It is important for Tri-County to be represented in these statewide calls for projects.

13. Other

- a. Next meeting is scheduled for July 2, 2025, at 9:00 a.m.
- b. Ray Lees invited anyone interested in learning more about the PNC contract and the EPA Phase One involving the PNC project to talk to him.

14. Adjournment

Autum Jones motioned to adjourn. Danny Phelan seconded the motion, and the meeting adjourned at 9:23 a.m.

RESOLUTION 26-07

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO APPROVE THE FINANCIAL REPORTS AND BILLINGS FOR JUNE AND JULY 2025

WHEREAS, the Tri-County Regional Planning Commission is required to establish and maintain proper accounting procedures and cash management records in accordance with Generally Accepted Accounting Principles (GAAP) as applied to governmental agencies, and

WHEREAS, on a monthly basis, the staff accountant prepares end-of-month financial reports and a listing of cash disbursements, and

WHEREAS, the Ways & Means Committee has reviewed the end-of-month financial statements and cash disbursements report for June and July 2025 and recommends that the Commission approve said reports.

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

Tri-County Regional Planning Commission

That the Commission accepts and approves the financial reports and cash disbursements for June and July 2025.

Presented this 3rd day of September 2025

Adopted this 3rd day of September 2025

Chuck Nagel, Chairman Tri-County Regional Planning Commission

ATTEST:

Eric Miller, Executive Director

RESOLUTION 26-08

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO AUTHORIZE FOUR PERSONS TO SIGN CHECKS ON BEHALF OF THE COMMISSION

WHEREAS, the Tri-County Regional Planning Commission, hereafter referred to as the Commission, has checking accounts at Hometown Community Banks (Divisions of Morton Community Bank), and

WHEREAS, it is Commission policy that every check written by the Commission have two signatories, and

WHEREAS, the Commission desires that four persons be authorized to sign checks written on behalf of the Commission, so that two persons are available at any one time to sign checks, and

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

The following persons are authorized to sign checks from all Commission accounts (Operating, ICS 608, ICS PPUATS, ICS Unvested Retirement Fund, and Flex Benefits) on behalf of the Commission:

- Chuck Nagel, Chairman
- John Kahl, Treasurer/Chairman of Ways & Means Committee
- Ray Lees, Planning Program Manager
- Eric Miller, Executive Director

Presented this 3 rd day of September 2025 Adopted this 3 rd day of September 2025	
	Chuck Nagel, Chairman Tri-County Regional Planning Commission
ATTEST:	
Eric Miller, Executive Director Tri-County Regional Planning Commission	

TO: Full Commission

FROM: Staff

SUBJECT: Integration of an Economic Development Strategy with the Peoria

County Comprehensive Plan

DATE: September 3, 2025

Action Needed

Approve the Executive Director to enter into an agreement with the Greater Peoria Economic Development Council and amend the consultant contract for the Peoria County Comprehensive Plan.

Background Information

On July 2nd, 2025, the Commission approved a resolution authorizing the Executive Director to enter into a contract with the selected consultant for the Peoria County Comprehensive Plan. The selected consultant is Planning Next, a land use planning firm, who is sub consulting with Ninigret Partners, an economic development firm. Peoria County is also in the process of creating an Economic Development Strategy (EDS) Plan which is being funded (\$60,000) by an Energy Transition Community (CEJA) grant. Peoria County has tasked Greater Peoria Economic Development Council (GPEDC) with the creation of this EDS plan which is to be consultant led. As both the Comprehensive Plan and EDS plan are on similar timelines, the development of the EDS will be tasked to Planning Next & Ninigret Partners. The attached resolution speaks to amending the existing agreement with the selected consultant for the Peoria County Comprehensive plan to add this task to the scope of work with the additional \$60,000 in funding dedicated to the EDS plan creation.

RESOLUTION 26-09

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO AUTHORIZE THE EXECUTIVE DIRECTOR TO ENTER INTO AN AGREEMENT WITH THE GREATER PEORIA ECONOMIC DEVELOPMENT COUNCIL AND AMEND THE EXISTING CONTRACT WITH PLANNING NEXT TO INCLUDE THE DEVELOPMENT OF AN ECONOMIC DEVELOPMENT STRATEGY IN CONJUNCTION AND COORDINATION WITH THE PEORIA COUNTY COMPREHENSIVE LAND USE PLAN.

WHEREAS, the Tri-County Regional Planning Commission, hereafter referred to as the Commission, provides administrative and planning services to member jurisdictions; and

WHEREAS, Resolution 25-25 authorized the Executive Director to enter into a \$300,000 contract with Peoria County to administer and manage a consultant-led comprehensive land use planning process; and

WHEREAS, Resolution 26-05 authorized the Executive Director to enter into a contract with the selected consultant, Planning Next and sub-consultant Ninigret Partners, for the Peoria County Comprehensive Land Use Plan; and

WHEREAS, Peoria County is the recipient of an Energy Transition Community (CEJA) grant of \$60,000 to develop an Economic Development Strategy (EDS) plan and has tasked Greater Peoria Economic Development Council (GPEDC) with the creation of said plan; and

WHEREAS, developing the Comprehensive Land Use Plan and EDS in tandem ensures consistency between land use, infrastructure, housing, and economic goals, resulting in coordinated strategies that support both the economic vitality and overall quality of life in Peoria County; and

WHEREAS, it has been requested by GPEDC to integrate the EDS project with the Comprehensive Land Use Plan, and add their project on the scope of Planning Next and Ninigret Partners contract to have a unified, coordinated effort that develops both plans; and

WHEREAS, Planning NEXT and Ninigret Partners will now be responsible for the development and creation of the EDS plan in conjunction with the Comprehensive Land Use Plan.

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

That the Commission authorize the Executive Director to enter into an agreement with GPEDC and amend the existing contract with Planning NEXT for an amount not to exceed \$60,000 to support the development of an Economic Development Strategy (EDS) Plan.

Presented this 3rd day of September 2025 Adopted this 3rd day of September 2025

	Chuck Nagel, Chairman Tri-County Regional Planning Commission
ATTEST:	
Eric Miller, Executive Director Tri-County Regional Planning Commission	

RESOLUTION 26-10

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO APPROVE THE AMENDMENT TO THE FISCAL YEAR 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM.

WHEREAS, the Tri-County Regional Planning Commission, hereafter referred to as the Commission, is recognized as the Metropolitan Planning Organization (MPO) for the Peoria-Pekin Urban Area; and

WHEREAS, Titles 23 and 49 of the United States Code require MPOs to develop a Transportation Improvement Program, and Title 23 Code of Federal Regulations, Section 450.326, records the required content; and

WHEREAS, the Commission has developed the Fiscal Year 2025 – 2028 Transportation Improvement Program, hereafter referred to as the TIP, through the continuing, cooperative, and comprehensive (3C) transportation planning process and through a participatory process as prescribed in the Commission's Public Participation Plan (PPP); and

WHEREAS, the TIP lists all federally funded transportation projects in the Metropolitan Planning Area (MPA) programmed within the four-year plan horizon and warrants the metropolitan transportation planning process follow all applicable state and federal requirements; and

WHEREAS, the Technical Committee recommended approval of the TIP on July 17, 2024, and the Commission authorized the adoption on August 7, 2024; and

WHEREAS, the Commission has received a request to amend the TIP by adding, deleting, or revising project(s) as shown in Attachment A; and

WHEREAS, the Commission has reviewed the request and found it consistent with the policies, plans, and programs, including the most recent Long-Range Transportation Plan adopted by the Commission.

THEREFORE, BE IT RESOLVED BY THE COMMISSION AS FOLLOWS:

That the Commission herewith amends the Fiscal Year 2025–2028 Transportation Improvement Program as detailed in Attachment A.

MEMORANDUM

TO: Commission

FROM: Staff

SUBJECT: Formalization of Regional Transportation Safety Committee

DATE September 3, 2025

Action needed:

Discussion and motion to approve the establishment of the Regional Transportation Safety Committee.

Background:

Tri-County Regional Planning Commission's recently completed Comprehensive Safety Action Plan (CSAP) was funded by the U.S. Department of Transportation's Safe Streets and Roads for All (SS4A). The goal of the process was to improve roadway safety across the tri-county region and advance toward the Vision Zero goal of eliminating traffic fatalities and serious injuries by 2050.

During the development of the Tri-County CSAP, a Project Steering Committee was formed to provide expert input, review technical materials, and represent key stakeholder perspectives. This group proved valuable in aligning local and regional safety efforts and engaging the public in safety discussions.

Initial committee members represented the following organizations:

- Bicycle and Pedestrian Advocacy Groups
- Bradley University
- County Highway Departments
- Emergency Medical Services
- Federal Highway Administration (FHWA)
- Illinois Department of Transportation (IDOT)
 - Bureau of Planning (Central Office)
 - Bureau of Safety Programs & Engineering (Central Office)
 - Bureau of Local Roads & Streets (District 4)
- Illinois Law Enforcement Training & Standards Board
- Illinois State Police
- Mass Transit District
- Municipal Fire Departments
- Municipal Police Departments
- Municipal Public Works Departments
- Regional Insurance Representative
- School Districts

Proposed Committee Role:

It is proposed that the Regional Transportation Safety Committee conduct the following:

- 1. Guide Implementation Efforts
 - a. Advise on priority projects, programs, and policies to carry out CSAP recommendations.
 - b. Assist with Safe Routes to School grant applications, such as assistance with conducting the required Parent Surveys.
 - c. Support coordination between jurisdictions, agencies, and community organizations.
- 2. Monitor Plan Progress and Regional Crash Data
 - a. Review annual crash data and performance metrics.
 - b. Identify emerging safety challenges and recommend responsive strategies.
- 3. Assist with MPO Transportation Safety Performance Measures
 - a. Contribute to the annual reporting on federally required transportation safety performance measures (PM1).
- 4. Maintain Public Dialogue on Roadway Safety
 - a. Serve as a regional forum for discussing roadway safety trends and best practices.
 - b. Seek funding for public awareness and safety demonstration projects.

Proposed Committee Deliverables:

It is proposed that the Regional Transportation Safety Committee deliver the following:

- 1. Update and maintain regional crash dashboard
- 2. Develop an annual report summarizing regional crash trends, progress towards Vision Zero, and implementation status of the Tri-County CSAP
- 3. Develop and recommend the Commission's federally required annual safety performance measure reporting
- 4. Conduct Safe Routes to School Parent Surveys
- 5. Engage the public and stakeholders through outreach and education

Structure and Governance:

It is proposed that the Regional Transportation Safety Committee be structured and governed as follows:

- Chair and Vice Chair: Elected every other year for a two-year term
- Membership: 21-member board appointed by the Commission
- Meetings: Held at least quarterly
- Reporting: Provide annual summary of regional crash trends and progress toward Vision Zero goals

Membership Composition:

It is proposed that the Regional Transportation Safety Committee be comprised of the following six membership categories with their specified member count. Example member representation is provided for each category.

- Advocacy & Community 2 positions
 - Advocacy groups
 - o Interested citizens
 - Neighborhood associations
 - Bicycle & pedestrian organizations
- Business, Industry, & Media 4 positions
 - Chambers of Commerce
 - Freight/transportation companies
 - o Insurance providers
 - Labor representative
 - Newspaper, radio, & TV stations
- Education & Training 3 positions
 - Regional Offices of Education
 - Special Education Associations
 - K-12 schools
 - o Colleges & universities
- First Responders & Enforcement 5
 positions
 - County Coroner's Offices
 - o EMS
 - o Fire
 - o Police
- Human Services 2 positions
 - Health departments
 - Hospitals & clinics
 - Legal service agencies
 - Social service agencies
- Transportation & Infrastructure **5 positions**
 - Highway departments
 - Public works departments
 - o Public transit agencies
 - IDOT (Central & District 4)
 - Planners

Draft Bylaws of the Regional Transportation Safety Committee:

Bylaws for the Regional Transportation Safety Committee of the Tri-County Regional Planning Commission

Article I - Name

The name of this Special Committee of the Tri-County Regional Planning Commission, hereinafter referred to as the "Commission", is the "Regional Transportation Safety Committee", hereinafter referred to as the "Committee".

Article II – Authority & Relationship to the Commission

The Committee is established by the Commission, which is the designated Metropolitan Planning Organization ("MPO") for the Peoria-Pekin urbanized area. The Committee works under the direction of the "Full Commission", which serves as both the Commission's full board and the Policy Committee for the MPO. The Committee provides transportation safety expertise and prepares, reviews, and recommends action to the Full Commission for their approval. These Bylaws shall be consistent with the Bylaws of the Tri-County Regional Planning Commission.

Article III – Purpose

The Committee shall serve as the regional forum for advancing roadway safety, guiding the implementation of the *Tri-County Comprehensive Safety Action Plan* (CSAP), and supporting TCRPC in meeting transportation safety performance measure requirements.

Primary responsibilities include:

- 1. Implementation Guidance
 - a. Guide the implementation of the CSAP.
 - Provide direction for transportation safety program grants administered by the Commission by serving as steering committee for all regional transportation safety campaigns and projects.
 - c. Provide safety review and policy recommendations for the planning, design, and implementation of transportation safety projects.
 - d. Recommend and prioritize corrective actions regarding regional transportation safety issues.

2. Performance Monitoring

- a. Maintain records of all fatal and serious injury crashes within the Tri-County region of Peoria, Tazewell, and Woodford counties.
- b. Review and assess regional crash data and identify safety trends.
- c. Monitor CSAP progress with relation to the Safe System Approach, Safe Streets for All, and Vision Zero frameworks.
- d. Emphasize significant regional transportation safety issues to the Technical Committee and Commission.

3. Safety Targets

- a. Assist the MPO in the development of federally required transportation safety performance measures (PM1).
- b. Develop an annual report summarizing regional crash trends, progress towards Vision Zero, and implementation status of the Tri-County CSAP.

4. Public Engagement

- a. Foster community dialogue and promote safe driving, walking, and bicycling practices.
- b. Conduct training and education on best practices, proven safety countermeasures, and state and federal policy.
- c. Provide recommendations for the encouragement and education of the public regarding transportation safety.
- d. Share appropriate transportation safety documents and resources with the public.

Article IV – Membership

Membership shall be governed by the Commission and reflect the various aspects of transportation safety interests and issues to ensure related challenges and opportunities are considered in their broadest context. The Committee shall be made up of a 21-member board as outlined in the table below:

Category	Positions
Advocacy & Community	2
Business, Industry, & Media	4
Education & Training	3
First Responders & Enforcement	5
Human Services	2
Transportation & Infrastructure	5

To ensure diverse representation or to fill subject matter gaps, the Commission can add additional members to the Committee by Resolution that justifies why over 21 members are needed. Such a resolution shall be passed with two-thirds (2/3) vote and constitute as an amendment of these bylaws. The fully executed resolution should be attached to the official Committee records.

Within 90 days of appointment, a voting representative shall complete the Illinois Secretary of State's Open Meetings Act (OMA) training and shall provide a copy of the certificate to be kept on file with official Committee records.

Alternative representatives are allowed, provided that such appointments are submitted in writing with the name of the alternate and the time period of such appointment. Only one alternate is allowed per member. If the alternate attends with the representative, the alternate may sit at the table and participate in the discussion; however, an alternate may not make motions or vote.

If a member is unable to attend a meeting and has not communicated their absence before the meeting to Commission staff, it will be noted as an unexcused absence. After a member has three unexcused absences in a row or fails to submit their OMA training certificate to Commission staff within 90 days of appointment, Commission staff can contact the MPO Technical Committee and Full Commission to recommend and appoint a new member in their place.

Article V – Officers

The officers of the Committee shall be the Chair, Vice Chair, and Secretary. The Secretary shall be a staff member as designated by the Executive Director of the

Full Commission Page 6 September 3, 2025

Commission. The terms of Office shall be two years following the Commission's Fiscal Year.

The duty of the Chair is to preside over meetings, set agendas with Commission staff, and represent the Committee as needed. The duty of the Vice Chair is to perform the duties of the Chair in their absence. The duty of the Secretary is ensuring meetings are organized, meeting minutes are taken, Committee records are maintained, and legal requirements are upheld. The Secretary position is non-voting and does not count toward the 21-member total.

Article VI – Elections

The Committee shall elect a Chair and Vice Chair among its members in good standing for a two-year term following the Commission's Fiscal Year. The Chair shall appoint a Nomination Committee to make nominations for these elections. Officers shall be elected by a majority vote of the quorum present.

Article VII – Meetings

It is the intent that the Committee meet as needed and follow the Illinois Open Meetings Act. There shall be an established quarterly meeting place, date, and time for the Committee, with additional meetings scheduled as necessary. At a minimum, the Committee shall meet annually to discuss the federally required transportation safety performance measures.

Notice of all meetings is to include an agenda and shall be made available by the Secretary to all members, including prior meeting minutes.

A quorum for any meeting is a majority of the Committee Members. When a quorum is not present and a legal meeting has been called, only informational items may be discussed, and votes may not be taken. The Committee shall be governed by Robert's Rules of Order, latest edition.

Article VIII – Voting

Each member shall cast one vote that complies with the Illinois Open Meetings Act. Voting shall be by voice vote or roll call if called for by a Member. A record of the vote shall be kept as part of the meeting minutes, including the tally and method (voice or roll call). A simple majority is required to pass all motions. All recommendations will be forwarded to the MPO Technical Committee and Full Commission by the Secretary for their consideration.

Reconsideration of prior approved motions can be called by a member who voted in the affirmative of the original question. A motion to reconsider a previous motion requires a majority vote to approve. If approved, the original questions can be discussed and a change or new motion can be adopted by a two-thirds (2/3) affirmative vote of the quorum present, or in the alternative it can be added to the agenda for the next meeting for consideration and vote. If a new motion or change fails to obtain such a two-thirds (2/3) affirmative vote, then the original motion remains valid.

Article IX – Subcommittees

The Chair may from time to time establish ad-hoc or advisory subcommittees to advise the Committee on specific issues.

Full Commission Page 7 September 3, 2025

Article X – Records

Minutes of all meetings shall be maintained by the Secretary and distributed to all representatives prior to the next regularly scheduled meeting. Additionally, the Secretary shall maintain the official records and permanent files of the Committee.

Article XI – Deliverables

The Committee shall provide, with support from Commission staff:

- 1. Update and maintain regional crash data.
- 2. An annual report summarizing crash trends, progress towards safety goals, and implementation status of CSAP recommendations.
- 3. Develop and recommend to the MPO Technical Committee and Commission the federally required annual safety performance measure.

Some additional, but not required deliverables are:

- 1. Conduct annual Safe Routes to School Parent Surveys.
- 2. Engage the public and stakeholders through outreach and education.

Article XII – Amendments

Amendments may be made to these Bylaws at any legally called meeting where a quorum is present. Such Amendments proposed to be considered at a meeting shall have been included as an agenda item in the notice of meeting. A two-thirds (2/3) vote is required to amend the Bylaws. These bylaws shall be reviewed at least every ten years.

RESOLUTION 26-11

A RESOLUTION OF THE TRI-COUNTY REGIONAL PLANNING COMMISSION TO ESTABLISH THE REGIONAL TRANSPORTATION SAFETY COMMITTEE.

WHEREAS, the Tri-County Regional Planning Commission, hereinafter referred to as the Commission, is recognized as the Metropolitan Planning Organization (MPO) for the Peoria-Pekin Urban Area and is responsible for carrying out the federally mandated continuing, cooperative, and comprehensive transportation planning process; and

WHEREAS, the Commission, with support from the U.S. Department of Transportation, developed a Comprehensive Safety Action Plan (CSAP) for the tri-county region of Peoria, Tazewell, and Woodford counties through the Safe Streets and Roads for All (SS4A) program; and

WHEREAS, the CSAP identifies regional strategies and actions that improve roadway safety across the tri-county region and advance the Vision Zero goal of eliminating traffic fatalities and serious injuries by 2050 through the "Safe System Approach"; and

WHEREAS, the Commission recognizes its role in advancing regional transportation safety and the need to formalize a Regional Transportation Safety Committee to: (1) guide the implementation of the CSAP, (2) monitor and review regional crash data, (3) assist the MPO in developing federally required transportation safety performance measures (PM1), and (4) maintain ongoing public dialogue and outreach on roadway safety; and

WHEREAS, Section 10 of the Commission's By-Laws allows for the formation of Special Committees.

NOW, THEREFORE, BE IT RESOLVED by the Tri-County Regional Planning Commission as follows:

- 1. The Commission hereby establishes the Regional Transportation Safety Committee as a Special Committee of the Commission. The Committee shall operate under the direction of the Commission, with coordination through the MPO Technical Committee; and
- 2. The Commission hereby adopts the Regional Transportation Safety Committee bylaws, which provide governance for the Committee as a 21-member body, with the following membership composition: Advocacy & Community: 2 positions; Business, Industry, and Media: 4 positions; Education and Training: 3 positions; First Responders & Enforcement: 5 positions; Human Services: 2 positions; and Transportation and Infrastructure: 5 positions.

Presented on this 3 rd day of September 2025 Adopted on this 3 rd day of September 2025	
ATTEST:	Chuck Nagel, Chairman Tri-County Regional Planning Commission
Eric Miller, Executive Director Tri-County Regional Planning Commission
