 - a. July Meeting Date-ok
 - b. Eric Miller mentioned that we are now in Phase 5, and they may be able to meet in person since the rule is up June 25. Next month meeting is undetermined as of now.
 - c. Mayor Dillon asked what are stop signs? He is having a very hard time enforcing this in his area. They have put flags at them and have stationed police officers at certain stop signs and tickets have been written but as soon as police is not present, they are being run. This is a real danger. He asked for any suggestions. Discussion was done among committee and asked if a study could be done to lower speed limit. Eric Miller said that on July 1st which is new fiscal year this would be an excellent project for a scope of work study.
 - d. Betsy Tracey- FHWA reviewed her collection of Urbanized Area. No results yet. Hopefully, they will stay the same/. She is monitoring and will let us know of results
 - e. Ryan Harms mentioned that July 21st Technical meeting is the day before Commission and asked to change to a week earlier of the 14th. All agreed.

13. Adjournment

Kinga Krider moved to adjourn at 10:00 a.m. and Rich Becklin seconded. Motion carried.

DRAFT

MEMORANDUM

TO: PPUATS Technical Committee

FROM: Nominations Committee (Chair: McLaren)

SUBJECT: Nominations for PPUATS Technical Officers FYs 2022-2023

DATE: July 9, 2021

Action needed by Technical Committee:

Approve slate of officers for Fiscal Years 2022 and 2023:

- **Chair:** Craig Fink, Tazewell County
- **Vice-Chair:** Kinga Krider, City of West Peoria

Background:

The bylaws of the PPUATS Technical Committee state that a Chair and Vice-Chair shall be elected from the representatives in good standing for two-year terms. The most recent slate of officers was elected for Fiscal Years 2020 and 2021, with terms expiring June 30, 2021. Therefore, PPUATS Technical requires new officers to carry out regular business effectively.

The Nominations Committee recommends Craig Fink for Chair and Kinga Krider for Vice-Chair, both to serve two-year terms. Both members have indicated their willingness to serve PPUATS Technical as officers and accept the Nominations Committee's recommendation.

- NOTES:**
- The projects in the state portion of the TIP are the Illinois Department of Transportation's estimate for fiscal year project scheduling and represent an intent to proceed. Impacts on individual project readiness include funding availability, unforeseen events (environmental problems, engineering, land acquisition) and the department's need to retain programmatic flexibility to address changing conditions and priorities on the state highway system.
 - Projects can be moved from Year 2 or 3 of the TIP into Year 1 with the approval of the implementing agency and the PPUATS POLICY COMMITTEE. The implementing agency may elect to change fund type with notification to the PPUATS POLICY COMMITTEE.
 - The Excel document for this form uses formulas to calculate Funding Share % and Total Project Cost. These cells cannot be edited by default, to prevent accidental overwriting of these formulas. To override this protection in Excel 2010 and above, click on the "Review" tab and then click on "Unprotect Sheet."
